## The Emergence of the Soul of Humanity

### Envisioning the New World Civilization

#### With a Focus Upon Love in Action

*“ . . . [H]umanity has entered into a period in its evolutionary development which is of as great importance as that period wherein individualization took place. The Soul of humanity is attempting to incarnate into its form. . . . This presumes that you take upon yourselves . . . a very great responsibility. For you become a part of the bridge by which the Soul of humanity shall incarnate into its form.”*

*Applied Wisdom, pp. 245 – 246*

Dear Friends and Co-workers ---

We warmly invite you to participate in the 13<sup>th</sup> annual Wisdom Gathering sponsored by The Wisdom Group. It is a virtual connection with other members of the New Group of World Servers from all over the world to join together to be of service to humanity. Together, we will combine our spiritual gifts to precipitate the Divine Plan for humanity and the New World Civilization by focusing on the emergence of the Soul of humanity through love in action. It is a wonderful opportunity to assist humanity at this time of spiritual need.

The Emergence of the Soul of Humanity is facilitated by being the Heart of Life itself, living as radiant temples of Light and Love within humanity. This is Love in action. This is how the new civilization will arise.

The Wisdom Gathering consists of a two-hour program each day for five days on Zoom. There is no cost to attend. The schedule for each day includes meditations, dialogues and activities as described in this invitation. We will have a short Circle of Light meditation in each session where we send Synthesis energy to the electoral process of the United States, as well as other countries, in a non-partisan manner. **To register**, please go to <https://wisdomgathering.org/registration-2/> or click on this link: [Register Now!](#)

We welcome your attendance and participation in the Gathering and look forward to “seeing” you there.

## Getting to Know You

*Please send a photo and bio!*

We felt it would be a good idea, prior to the Wisdom Gathering, to collect participants' small jpeg photos with a short bio and home location. Because Zoom meetings have a limit to the number of people that can be seen, we will create a pdf file to be distributed before the meeting. Of course, it is your choice if you want to be included.

Please send them to [barbmcombs@gmail.com](mailto:barbmcombs@gmail.com) before the 22<sup>nd</sup> October – thank you!

## Circles of Light\*

A Service Activity for the 2020 Election and all elections worldwide.

We will close each day of the Wisdom Gathering with the Circles of Light using the 1936 Great Invocation to distribute all of the energies generated as we meditated and dialogued together as coworkers aligned with the will to love and serve.

The purpose of the Circles of Light is to invoke the Forces of Light and bring the energies of Synthesis into the US election and all elections worldwide, via the group's focused intent, alignment and rhythmic activity. We have no attachment to outcomes, except that the highest good prevail for all in divine law and order.

This service was initiated at the Virgo full moon. It will continue through the U.S. election on November 3, through the vote count and all the way through **Inauguration Day, January 20, 2020.**

There are currently 45 participants pausing and linking daily, working together subjectively, for a few minutes every 3 hours of the waking day. If you are inspired to join us right now, please send an email to [cakarsen@mac.com](mailto:cakarsen@mac.com). Please include: your name, location and a quality you would like to radiate into the consciousness of humanity such as Divine Will, Love Wisdom, Unity, Stillness, Empathy, Loving Kindness, Light, Majesty, Right Human Relations or perhaps another ...

### *The Great Invocation (1936)*

*Let the Forces of Light bring illumination to mankind.*

*Let the Spirit of Peace be spread abroad.*

*Let men of goodwill everywhere meet in a spirit of cooperation.*

*May forgiveness on the part of all men be the keynote of this time.*

*Let power attend the effort of the Great Ones.*

*So let it be, and help us to do our part.*

*All of our outer activities are the expression of our being. Right Action then is the expression of the Soul as Love in Action. Our session on service will attempt to initiate an expanded understanding and vision of service based on the idea that each of us not only has a solution for problems in humanity, ..."we are the solution...."*
